

P.U.(A) 328/86
FACTORIES AND MACHINERY (BUILDING OPERATIONS AND WORKS OF ENGINEERING
CONSTRUCTION) (SAFETY) REGULATIONS 1986
PART XI - DEMOLITION

Regulation 99. Warning sign.

On every demolition job, danger signs shall be conspicuously posted around the property, and all doorways or thoroughfares giving access to the property shall be kept barricaded except when being used as a passage for men or equipment and during darkness, and lights or flares shall be placed on or about all barricades.
