

P.U.(A) 328/86
FACTORIES AND MACHINERY (BUILDING OPERATIONS AND WORKS OF ENGINEERING
CONSTRUCTION) (SAFETY) REGULATIONS 1986
PART XV - BLASTING AND USE OF EXPLOSIVES

Regulation 136. Smoking and open lights.

Smoking, open lights and flame or spark-producing devices are prohibited in or around any explosive magazine or storage enclosures and there shall be posted and maintained proper warning signs to that effect in the national language.
