Polisi Keselamatan dan Kesihatan Pekerjaan

POLISI KESELAMATAN & KESIHATAN PEKERJAAN

Universiti Malaya beriltizam untuk memastikan persekitaran kerja yang selamat dan sihat bagi semua kakitangan, pelajar dan pihak lain yang berurusan dengannya.

Bagi menjayakan polisi ini, Universiti Malaya akan:

Nilai Teras

Menjadikan Keselamatan & Kesihatan Pekerjaan sebahagian daripada nilai teras organisasi.

Keperluan Undang-Undang

Mematuhi kehendak perundungan serta peraturan keselamatan dan kesihatan negara yang berkaitan.

Tanggungjawab Keselamatan

Menyedia dan menyenggara sistem pengurusan serta persekitaran kerja yang selamat dan sihat.

Latihan & Sokongan

Meningkatkan tahap kesedaran seluruh warganya terhadap kepentingan keselamatan dan kesihatan pekerjaan dengan menyediakan maklumat, arahan, latihan dan penyeliaan yang secukupnya.

Pihak Pengurusan dan seluruh warga Universiti Malaya akan sama-sama berusaha untuk mencapai matlamat dan objektif polisi ini melalui rundingan dan kerjasama.

SAFETY & HEALTH POLICY

University of Malaya is committed in ensuring the safety and health of all members of the staff, students and other parties dealing with it.

To accomplish this policy, the University of Malaya will:

Core Value

Make occupational safety and health as part of its organisational core values.

Legal Requirements

Comply with legal requirements as well as the related safety and health regulations of the nation.

Safety Responsibilities

Prepare and coordinate an administrative system and work environment that are safe and healthy.

Training & Support

Enhance the level of awareness among the campus community on the importance of occupational safety and health by providing adequate information, instructions, training and supervision.

Risk Control

Conduct activities to identify hazards as well as evaluate and control risks at the workplace.

Accident Investigations

Investigate and record accidents, poisoning and illness at work as well as dangerous incidents and take measures to ensure such incidents do not recur.

Continual Improvement

Conduct inspections, audits and policy revisions periodically to ensure continuous improvement.

Resources

Allocate sufficient resources to implement the above objectives.

The Administration and the campus community of the University of Malaya will work together to achieve the goals and objectives of this policy through negotiation and cooperation.
